My deepest condolences to all the family and friends of Ron. I was blessed when Ron made it a regular routine to come up to the church and visit with me while Kathy was having her hair done. I believe Ron was the kind of person who made friends easily. We had great conversations and many laughs. Many times, on my way out for the day, I would see Ron working around the church yard or some other laborious project. He was the strongest man I have ever met. I will miss Ron, but always remember how kind he was to me during the short five years we were friends. I pray for comfort and peace for Kathy, his family and his many friends! Jesus is the Light of the World and Ron gets to spend eternity with Him now, and that brings me comfort.
