Rest in peace Arlie. Enjoyed working with him. He was a dedicated worker and an easy man to talk with. He had many interesting stories to tell and he had a way of telling his stories that was almost spellbinding.

I was fortunate to work with Arlie for several years at Stouffer's. Arlie always was a very hard working, dedicated, and loyal team member. I had the good chance to see Arlie a few times while still living in Aurora and enjoyed our chats catching up on the old days! My wishes for peace and comfort for his family!
