Denny, Reggie, Levi, and Vera, My thoughts and prayers are with you all. Remembering all of the grand times we had, playing dress up, laughing, swimming, hanging out around the tree with all the cousins and making lasting memories. Hailey's kindness, brilliant smile, vibrant personality, and all her love was a blessing. May she rest in peace and watch over all of us. May all of your memories bring you comfort and warmth. All our love and deepest sympathy.

Our hearts go out to Hailey's family. She was so kind, loving, gentle and beautiful. Our thoughts and prayers are with you. I found the following poem and thought I'd share it. Don't think of her as gone away her journey's just begun, life holds so many facets this earth is only one. Just think of her as resting from the sorrows and the tears, in a place of warmth and comfort where there are no days and years. Think how she must be wishing that we could know today how nothing but our sadness can really pass away. And think of her as living in the hearts of those she touched...for nothing loved is ever lost and she was loved so much.
