## Ronald Fedor

AUG 15, 1958 - NOV 25, 2021

### O bituary MANTUA

Ronald Scott Fedor, 63 years of age, became Our Gift to God on Thursday, November 25, 2021 at University Hospital in Cleveland, Ohio from a Aortic Aneurysm with his loving family at his side. Ron was God's Gift to Us on August 15, 1958, the son of the late Richard and Roberta (Geiss) Fedor. A lifetime Mantua resident, Ron was a graduate of Crestwood High School in 1976, and was a member of St. Joseph's Catholic Church in Mantua. For 33 years, Ron was self-employed as a Stone Mason and Stone Artisan. Ron was a man of so many talents that included building his first car, a 1957 Chevy from parts and pieces he received in a milk crate. Following the passing of his parents, Ron designed and carved their monument at Westlawn Cemetery in Mantua Township. In 2011, he and Sherry traveled to Las Vegas where he was honored to receive the Landscaping Of The Year award for his creative talents of the monument. Hot Rods, Drag Racing, and baseball were a favorite of his as he, and Sherry traveled the World to participate in these events. Ron truly loved everything his children did, always supporting them and providing guidance and wisdom. Like his father, Ron was always open to talk and share stories with whomever he came in contact with. His wide smile was Ron's way of greeting people, never knowing a stranger, and able to strike up a conversation with anyone about any topic. While his untimely passing has left a void to family and friends, the memory of Ron Fedor will live on forever in the hearts of all who were blessed to know him. He truly was a remarkable gentleman! On August 25, 1979, Ron married his high school sweetheart, wife Sherry (Bates) Fedor who survives at their home that Ron built. Also surviving are his devoted children, Brandon (LeiAne) Fedor of Ravenna, and Jordan (Breanna) Fedor of Chagrin; his loving grandson Nico, and a lifetime of loyal friends. No calling hours or services. Cremation has been held as he requested. In lieu of flowers, Ron and Sherry were longtime supporters of St. Jude Children's Hospital, and would appreciate donations be made to St. Jude Children's Research Hospital, 263 Danny Thomas Place, Memphis, Tenn. 38105. Arrangements are by the Green Family Funeral Home & Crematory Service in Mantua, where condolences and memories may be viewed at [www.greenfamilyfuneralhome.com](http://www.greenfamilyfuneralhome.com).

Sherry, My deepest condolences to you and your family. I met Ron while playing baseball with him on his fathers little league team when we were about 10 or 11. From that time on through high school and when I would come home on leave, I could always count on Ron as a friend. He loved to show me his project cars and they were fantastic. He was such a talented individual that thought all of his projects through down to the tiniest detail. Although we lost contact, I would always remember him when I saw a 57 Chevy cruising down the road. God must have needed a very special person when He called Ron home. My thoughts and prayers are with you and your family.

So sorry for your loss. He sounds like a wonderful man! My father died of the same thing 34 years ago. He had the aneurysm on Nov. 25, went into a coma and the doctor pulled the plug on the 28th. Thanksgiving has been tough all these years, remembering. I will remember your family each Thanksgiving from now on. Life is not fair, but God knows what he is doing and will give you the strength to bear it. Jean FeichtnerMantua

The last time I saw Ron and Sherry was at the Zoar Harvest Festival. We had done this show together for many years and would go have dinner on Saturday night. This past year at dinner, I never laughed so hard. Ron and Randy had a few Sangrias, well, we all did (but not designated driver Sherry.) The story telling went well into the evening, such a fun, a memorable time. The next day at the show, Ron sold out. He was giddy at the thought of not having to reload his stone carvings back into the truck. Ron always talked about how important it is to do what you love. And he did - he worked hard loving it. How fortunate is that? Most will spend their lives getting by, not liking what they do. Ron was blessed in many ways which may be why he laughed so easily, listened so intently and mastered the craft of masonry carving. This is how I want to remember Ron. I sure will miss seeing him. Sherry, I love you both. See you soon.
