Tammy you and Taylor are in my prayers. I'm sorry sorry to hear that Tim has passed. He truly was one of the best friends I could have ever had in my life. Although I only knew him for roughly 5 years of his life, he was always a delight to be around. I met him in the Air Force in late 1984 in Tech school and we went through that training together and spent the next two tours of duty together in the UK and Florida. I enjoyed his and Steve's company like they will never know. He always had a big heart and loved his friends and family. He will be missed and I regret that I will never get to talk to him on this side of glory again. God bless you all now and going forward. He was a great friend and I'm sure a wonderful husband and dad. Thanks for all the wonderful memories friend.
