Rick was such a gentle soul. My sisters youngest boy. I remember the day he was born. We were outside playing when our mom told us Bobbi had another boy. I remember it was very very hot, and it seems like we had just gotten home from VBS. I think BB was with us. My little nephews were like my little babies back then. Along with Redda and Peatie. Oh how years fly by. Every August 3rd I think of Ricky. And I always will.
