I'm so sorry for your loss. I knew Larry from my days with RMH Hospice. He was so kind and always brought a smile to everyone's faces with his funny jokes and witty sense of humor. I always looked forward to running into him in the cafeteria just catching up. Heaven gained a great man.

I'm so sorry for your loss. I took care of your mother when she was on Hospice with RMH and met your father then. I also kept in contact with him when he was a volunteer with our organization. He was very kind and funny. He would deliver things for us and often ate in the cafeteria at the hospital.
