my heart is still hurting for what we never had. I often dream of all that we could have done together if only God would have brought us together when we were young. He must of had His reasons and sometimes it's hard to live with but you gotta do what you gotta do. You are still greatly missed and loved beyond measure. All my HEART

still think of you all day every day....wondering why we had to suffer all of our lives and why we couldn't have found each other years and years ago. You are greatly missed and greatly loved.

...I still ask why why why....why did our paths not cross when I drove through Mantua Corners for months...or why did we not meet sooner ...why were we so short changed in this live without being able to share our Love....miss you everyday...Don't know if you still loved my but I never stopped loving you and I'm so sorry that I never found you before God took you home, where I hope you'll be waiting for me ..someday.. know that my heart is still and always will be yours.

It's been a year that you've been gone. Not a minute, hour or day goes by that you are not in my thoughts. If only you knew how much you were LOVED. Don't know why God never brought us together before all the lies, I'm not mad at Him but boy am I mad at myself.....Can't wait to meet you on the Golden shore....for ever more....
