I am so terribly sorry for the loss of Eric. I really enjoyed my talks with Eric. I saw his sweet heart. My son, Joey, really enjoyed working with Eric and would come home with cute funny stories about their day. Eric did a beautiful job when he mowed for me - and is probably the only person I know that perfectly mowed a yard in at night! I always appreciated his detailed work. I loved his cute little messages and updates on how well Joey was doing for him. I will remember each time I walk past the sparkly rocks he used in an area of my front ditch- he told me when they got clean they would be so pretty and he sure was right. May our Lord bless and keep you ❤️
