Dave and family, we were very sorry to hear of your mother's passing and offer you our deepest sympathy. We only knew her for a couple of years but came to care for her as she was so welcoming to us, easy to talk to, and made us immediately feel as though we were part of the Myotte family. She was a woman to be admired and we will always remember her.

Dave and family, please accept our family's sincere sympathy for the loss of your mother. We have early memories of your family and little league baseball. My father, Steve Oros, coached a team that included you and Dale, the Zoller boys, and Paul Redhead. This had to be in the early 60's and although I was young, I have fond and vivid memories of your parent's support ( and looking after my sister Joanne and me) as dad was coaching. It was a fun time, as we travelled to all the different townships in the county - Deerefield, Windham, G'Ville, and somewhere that had a roller skating rink by the ball park. Seeing your parents at each game, our families became friends and enjoyed cookouts together (as well as with the Redheads and Zollers). Your mother was a very warm, intelligent, friendly person and we are so blessed to have known her and all of your family.
