Me and Jimmy lived across the street from each other and spent a lot of time together going on adventures in the woods of rural Chesterland. We played midget football together, had sleepouts in the woods and had a lot of fun. I moved away in 1977 and wish we would've stayed in touch. RIP Jimmy, David Dawson

Jim Honey you may be Gone but you will NEVER be forgotten. I consider myself very lucky to have been loved by you & for getting to love you right back. I will forever cherish the time we spent, the memories we made, and all the fun we had together. My only regret is not getting to see you & wrap my arms around you one last time before the Good Lord called you home. I truly hope you know how much you always have and always will mean to me. Make sure you sing our song for all those beautiful angels youve got all around you. Rest in Heavenly Peace. I love you.

R.I.P. Jim. When I told Lizzie about your passing this morning she remembered you as "the big guy who would always dance with me at the C.I.", and this was y'all's favorite song. Thoughts and prayers are with your family and friends.
