!Everyone tells us it will get easier. That will never happen.I cry constantly because a life without you in it is something Daddy and I cannot comprehend. You were always our beautiful princess. You made our lives have meaning. Mackenzie and Seth are our top priority. We will see they are taken care of monetarily. They will never wish for anything that we won't take care of it.of course, also our beloved Logan.We will see you again my love. Until then, nanny, all your grandparents, and all 7of my McLean and Camberari uncles and Aunts have you. No one else will get near you. They will love and care for our sweetheart. . We were coming the next morning. You were planning some silly decorations to make us laugh. Everyone one would be filled with hearts and say how much you loved us. We listen to your voicemails because that is all we have of that joyful loving ray of sunshine who is gone from our lives. Every moment of every day is about you and what you were planning on becoming. Mackenzie and Seth will always Love you just as every life you ever touched . Our friends that met you through your life all remember that golden haired beauty. We will be putting an announcement in our papers for all your and Chris' friends. We love you beyond my ability to express.

MyChele, You have always been the kindest, most loving person that I've ever met. The incredible shock that I felt when you told me that you had fallen in love with me, has never gone away. I have always worshipped the very ground you walk upon and cherished every moment I got to spend with you. I hope you are free of pain and sorrow, and are in the arms of Grumma Sis, playing with our beloved Coco, Scrounger and Buddy. I will see you again soon my love and will have stories to share of our children's accomplishments and the wonderful lives they've built for themselves, as well as whatever grand babies we finally have. I know how you loved me and all our children. You will always be the love of my life. I will hold you again one day. Until then, rest easy my love, I'll take it from here. I love and miss you more than words exist to express!!!

Shelly, we got to know you lately, but it was a delightful meeting. Your smile and personality lite the room up. As Psalm 4:7 says " Thou has put gladness in my heart..." We hold to the promise of our Lord, Isaiah 41:10 "I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness." We miss you, Shelly, gone much too soon.
