I'm going to miss you so darn much! You would always call me and say Shithead what are you doing?! Lol.. I wouldn't change it for the world. We was a pain in each other's butts but never did we not get along or tell it like it was to each other. I'm going to make you proud and raise these babies to grow into beautiful, intelligent people. We are definitely going to miss coming to see you and I hope your looking down right now and are happy with the outcome that Dion and I have done. We love you lots ♥♥♥
