We have worked with Steve for the past 7 years. He was amazing at his job, and we owe much of our success to him, and will be forever grateful for his hard work and dedication. Our customers and vendors adored him. How do we even begin to attempt to fill his shoes? He loved his son Dean, and was so proud of him, so proud to be his dad. We will miss hearing "Dean-isms" what we called to cute stories he would share with us. He was so looking forward to the future. Until we meet again, rest in peace, our beloved friend.
