I just learned of Susan's passing and have tears in my eyes. She had such a zest for life, and her heart was filled with caring and love. I'm so sorry our world has lost such a unique individual. We had many good times dancing, eating out, and I especially loved visiting her beautiful garden. The last time I saw her she was already ill. Now she is free from life's challenges. She had a life well lived. God bless you Susan. I'm sure you will be missed by many.
