Cheryl Darling and Greg's children: My heart hurts for your loss. I just heard that "Greek" is now riding with the rest of the angels on Heaven's highways. He was one of the most honest and nicest men I had the pleasure of knowing. He was always good to me even when he made fun of me when I wrecked the bike "Wiz" bought me before he died. We mortals have lost a good one, but the angels have gained another bright star. God bless all of you. Tiger

My beloved brother Greg, you will always have a special place in my heart. I am at peace knowing that you are no longer in pain and are now with our Lord. Nicki and Chrissy, your daughters (my nieces) took such good care of you. I will be forever grateful to them for their devotion to you and the kindness that was shown to me and my daughter, Jill. Greg, since our dad had survived many health issues during his life, both our dad and mom would always joke saying that "You can't kill a Greek". What they forgot to include was that: you can't kill a Greek, for their spirit, goodness, generosity and strength will remain in your heart forever. So you see, you will always be with us; always there to cherish and remember with love and understanding. I love you and will miss you, Your sister, Cheryl Klonaris Collier
