Helen, I was so sorry to hear of George's death. I have so many memories of your family from Maywood. Babysitting Caron, Kendra, and Jenny, Your fabulous sense of color, your art, and decorating. I was lucky enough to be a camp counselor at Camp Hi, and I remember your parents so well. Working at Norge Village, I remember George coming in to fix anything, and the people who worked there. I remember him taking us all to camp for horseback riding (when the gay motorcycle club was camping out), and one year, taking us all canoeing. I can't remember if Eva, Alberta, Phyllis, Laura, Kathy, and the others liked it, But I loved it! Years later, Our Girl Scout troop spent a weekend camping there.....our girls loved it, and that weekend brought back many memories. I am so so privileged to have known your family, and so lucky to carry a little of Camp Hi magic in my heart always. with much love, Nora Starick Boland

I want to send my sympathy, Helen, at George's death. I heard this from a college friend, and it brought back memories of the good times Bob Freed and I had with you and George in those college years. George was always a lovely person. I'm glad you have daughters to keep you company..

Dear Helen and family. I have been trying to contact you for years. You (Helen) were so kind to me when I was looking for a house. I recall your husband's business and your daughters. SO many years ago (around 2000) and I still recall your Caddy with the heated seats and your ongoing kindness. You were truly one of the ethical realtors who treated me as a friend more than a client. Wishing you and your family the peace that comes from love and good memories. I am still on Bolingbrook, Helen. Contact me if you wish and I'd happily meet and treat you and/or your daughter(s) for lunch one day. I wish you all peace. Such a tough time.

George was a good friend for over 50 years. He was a big, strong, gentle, kind and intelligent man. He could lift a canoe like a toothpick, or discuss the latest book he was reading like a professor. He loved Helen and all his family with all his big heart. His hearty laugh and warm smile could light up a room. He was a passionate lover of the outdoors and of dogs, and all outdoor animals and life. He was totally open and genuine - always willing to lend a hand but humble about his many strengths. We will miss him so very much but we are immensely grateful he was part of our lives for so long. Our deepest sympathy and love to Helen, Caron, Kendra, Jenny, Karen and all the family. Jenny and Glenn
