We stand motionless, consumed in grief. Sorrow has arrived, with smiles thief. We're gathered here, to mourn and cry. Our questions pointing, at the clear blue sky. Why did you go, why did you leave, Life without you, is so hard to conceive. Our hearts are damaged, and scarred severely. We shall miss you, much more than dearly. For having you in our lives, we've all been blessed. But now the time has arrived, for you to rest. We promise to cherish, our memories of you. You shall live in our minds, and all that we do.
