I'm just a stranger on a street that's crowded
A thousand faces talking noise to me
Every day's a fight
But it'll be alright
Cause I know, I know
I see you in the morning light
I see you in the midnight sky
I feel it everywhere around me
Never have to say goodbye
It doesn't matter where I go
I feel you in every memory
I hold them till I see you again
Through the cracks of heaven

I watched some of your videos last night on repeat and looked through a bunch of pictures. Hoping I would find some comfort... but nothing comes close to the real thing. I miss you dad... my heart hurts so bad that you can't be here with us. I miss your contagious smile and laugh. I really could have used that yesterday, your warm embrace. I feel so numb and empty. I love you.. to the moon.. and back... Until we meet again.
