Ray:I just got the note from the gang at Brush and saw Susan's name on the list. How sad. Of course, I remember her from years living next door. How naive and shy we were, at least I was. I did see you both at the 50th but didn't stop to chat. I wish I had. I send my sincere condolences and hope that you are doing well.Linda and I are now living near Chapel Hill in North Carolina.
