My old fart mr Donald!!! You meant so much to me mr and held a very special place in my heart where you will always remain!! I was lucky to wake up every morning for work for nearly 2 years not knowing the rottenness I was going to see that day!! Either being serenaded by you with "Jesus loves me" or sometimes when you were feisty it was "hit the road jack" !! I never had someone pray for me as much as you did and then in the next sentence compliment me with how beautiful I was and by the end of that bus ride into work called by 4 different names and sometimes even insulted!!!! I absolutely loved you to pieces and even after I left I still made sure to come visit you specifically at least 3x a year the last 6 years!! I even remember making you a 77th chocolate birthday cake with lots of sprinkles just because I wanted you to know how much you were loved!! Some days you tormented me and that whole bus and poor Ron while he was driving!! But you had us laughing in no time!! From the polka dancing, and asking if we would buy you a casket as pray for you to wanting to know if you were going to cap our conversations were pretty similar each day!! I know how much you loved babies and my little nephew zach & daughter Lexie loved to visit with you!!! We were just telling stories about you makin them laugh the other night!!! One things for sure tho and that is I know jesus is going to have one heck of a prayer side kick and those church songs will never sound more beautiful now that your in heaven!!! I sure will miss you my old fart!!! Love you!! Save me a special prayer and welcome me at those golden gates when it's my turn to come home ❤️ we can polka down the streets of gold singing jesus loves me!!

To the family and friends of Donald, my sincere condolences for the loss of your loved one. As you cope with your loss, may you be comforted by the "Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort" (2 Cor 1:3) that one day, "all those in the memorial tombs will hear his voice and come out." (John 5:28, 29) May these promises from our Heavenly Father give you comfort now and real hope for the future. My deepest sympathy.
