Jean, You will always be in my heart and memories. We have been friends since I was 5 years old. We have shared so much over the past 73 years. Even though I do not see you very often, you have been and always will be in my thoughts and prayers. God speed and be at peace my dear friend. I love you and will miss the annual Christmas letters when you would bring me up to date on you and your family. Love, Jackie
