Several years ago as I searched for someone to help me with laundry, Cis was recommended. Little did I know that she would become my best friend. Oh my goodness.....the things we talked about. I loved her with all my heart and will never forget her. Prayers for her family.

To Cis Family,I am so sorry for your loss and my heart aches for you! Cis was my Mom Helen's best friend. They were always together doing something or nothing. She was so very nice at all times. The world was a better place with her in it.I can see those two sitting in my mom's apartment, laughing watching old movies and smoking haha. I know it is devastating for the family and for my mom who is so lost without her best friend lots of love hugs and kisses to all of her family she loves you all so much and talked about you all of the time when I saw herStacy
