A candle was lit by Kathy Davis on June 29, 2017 2:48 AM Becky was my first friend ever. We were inseparable when we were little. We learned about life with each other stomping in my backyard at home in Auburn and later in her backyard and beyond in Chagrin. I will always hold dear Becky's gentle spirit--Hey Buddy--- and her kind, kind heart and soulful eyes. She was a true blessing to me on Earth and embodies everything a first true blue friend should be. I'll forever hear her deep chuckle in my ear and feel her kind eyes upon me as her spirit surrounds me and lives on in me as an essential part of my very own essence. Love to you Cecil, Rob, Chris and Steve-- and all of those that loved her and will forever carry her in our hearts. xo KathyPost a reply
