I am very sorry to hear that Uncle Dale has passed away. I have such fond memories from my childhood of spending time with him on holidays and from our family trips to Pennsylvania. He was such an amazing man who could fix anything. I know my dad was so grateful to him for driving to California with him. I will be keeping Aunt Sandra, MaryAnn, Gayle and his entire family in my thoughts and prayers.

I am so sorry for your loss. Dale was a huge figure for all us boys in the neighborhood growing up. He always had a wrench in his hand ready to help us out and he taught us so much! Who could ever forget him tooling around on his scooter. He always made time to stop and say Hello, even in his later years. I'll miss you Dale.
