What a great man! I will cherish memories of a night many years ago at the tavern in Mantua, singing Karaoke and how thrilled it made him when he requested I sing Bobby McGee and I did for him. Chris, I love you and my heart aches with you...I know all too well the feeling of losing daddy. Big, big hugs friend! ☐

I am so sorry to lose cousin Bill. He has been in my life since I was very small. Even as a little girl, I thought he was so handsome! It was so good to see him at the last family reunion. Sincere condolences to cousin Laura and the rest of the family. Love from California.

Sending much love to the family. I think the world of you all. Bill will be missed. I remember when I used to watch the kids - such a warm, loving couple. He was always so kind. We had lovely chats the times he drove me home after. Always so interested in who we were and what we were doing. A truly kind soul. I am grateful to have known him.
