Dolores Marie Skupski

JUL 4, 1931 - JAN 20, 2024

Dolores Marie Skupski, of Streetsboro, Ohio, passed away, on January 20, 2024, at the age of 92. She is preceded in death by her husband of 60 years George S. Skupski, her sons George T. Skupski and David P. Skupski. She is survived by her sons James (Nancy) Skupski, Michael (Vickie) Skupski, Steven Skupski and daughters Diane (James) Seibert-Edwards and Patricia (Patrick) Bokesch. She had 13 grandchildren and 14 great-grandchildren. She was a mother, wife, sister, daughter and friend to many.

One of the last of the "Greatest Generation", she suffered through the Great Depression, WWII, having access to limited resources during her childhood, living in a house with no electricity or indoor plumbing. She was the eldest of three children born to Frank and Genevieve Sobocinski. She had a very simple and transient childhood and was raised, in part, by her grandmother. In hard times and good, she was there for her children and family. She was proud to be Polish. She had a bumper sticker that said, "You bet your 'dupa' I'm Polish."

She met her husband, a WWII Navy veteran, and married in 1948. She had a great sense of humor; which is necessary to raise seven children; and she did it on a very limited budget. She had an excellent memory for names, places, events and especially birthdays. We were always amazed at how she could remember who was born when and where. She taught us many things that we only came to appreciate as we aged and started to raise our own children. She had a kind and loving heart. She loved children, enjoying their innocence and wide-eyed enthusiasm. She taught her children and grandchildren how to care for themselves as well as others less fortunate. She was a devoted parishioner of St. Joseph Church, Mantua, Ohio. She loved her church and never strayed from her religious faith.

I have known Mrs Skupski since high school. George and I were classmates and David and my ex were friends. She was a wonderful human being. We talked Sunday mornings before mass. She was a proud mother would show me recent pictures of her kids and grandchildren. I will miss her smile and warm heart and the conversations we would have.

Dolores was like my second mother to me growing up. My fondest memories of her were her always yelling at me for picking her flowers when I was a child. We always laughed about that. I always knew she loved me. When my mom passed away, she hugged me so tight and cried with me. She told me I was never alone, she would always be there for me. She was! Whenever I came home to visit, I always snuck in through her back door to surprise her. I recently spent some great quality time with her, sharing some fond memories. It's a time I will never forget. I will truly miss this great lady. She will always hold a special place in my heart. I was truly blessed to spend the last few years with her talking for hours. Rest in peace beautiful lady!! You are finally reunited with Pops. You will be missed!!! love you, Cathy ❤️
