I remember when Anne first found out she was pregnant with Nick . I had Nichole already and she was so excited to find out she was going to have a baby. She was a sweet girl. We were all so very young then. Paul and Ken were great friends, always working on roofs together. Somewhere along the line, Ken and Paul grew apart even though Ken was Paul's best man at our wedding. I have very fond memories of those young years in our lives. It's too bad we lost touch along the way of living life.It odd.... She passed the same day my love Paul did. Paul had lung cancer too and suffered terribly at the end, I pray Anne passed peacefully . I'll pray for my old friend..... much love and peace for the family. Sarah Brunarski
