# Barbara Ann Berecek

DEC 14, 1960 - JAN 15, 2025

**B**arbara Ann Berecek née Sellers, born December 14, 1960, passed away peacefully surrounded by her closest family members on January 15, 2025. She had a loving 46 years with her husband Steve Clarence Berecek, who has lived up to the vows, "in sickness and in health." He not only loved her unconditionally throughout all of the years spent together, but painstakingly and adoringly took extra special care of his sweetheart the last 8 months as she endured her battle with kidney cancer.

Barbara was a wise woman, and followed all of her aspirations including organic gardening, herbal studies, singing in a band, hairdressing, painting, crocheting, and many other hobbies. She had a thirst for knowledge, and quenched it by reading whatever sparked her interests. She was especially interested in history, current affairs, political awareness, and religion.

Although her life was cut short, she did her best to live it to the fullest. For her, that meant raising her family, being an excellent listener, and always being conscious of other's feelings. She was the epitome of the saying "do unto others." Barbara will be missed forever and always.

She leaves behind her devoted husband Steve, Kids Jessica Ann and Steve Adam, grandkids Alexandria, Gavin, and Steve Cameron, many nieces and nephews, her siblings Amelia (Neal), Glen (Sondra), Susan, Belinda (Tom), and Edwin.

Her parents, Betty Greenwell and Glen Sellers, as well as her youngest sister, Lliana Mobley, preceded her death.

Family and friends may gather for visitation on Saturday, January 25, 2025 at Green Funeral Care, 4668 Pioneer Trail (at the corner of St. Rt. 44), Mantua, from 11 am - 1 pm. A funeral service will immediately follow at the funeral home at 1 pm. Interment to follow at Westlawn Cemetery.

There is nothing anyone can say, and nothing anyone can do. I will never stop missing you. I can never stop loving you. You took my heart with you, and my soul yerns for you constantly. We were the epitome of the term...soul mates. You were the best thing that ever happened to me in my entire life. Literally.It does not get "better" over time. I don't expect it ever will.I will always care for you in every and any way I possible. Visiting you daily to say good morning, and then again to tell you goodnight. To tell you about the latest happenings, and ask you to continue to guide me. You always had the right answers and best advice, so I expect you still do. I was the brawn, and you the brains. We never enjoyed being seperated for any reason Honey. That was a given. So it has not been easy for me living without you now. I miss you being with me, or waiting patiently for me to get home. My home was always wherever you were. You are my home. You are my everything and always will be, just like I told you. I will continue to try to live up to your standards and expectations, and do as I know you would approve of. I always looked for and appreciated your praise, and your approval. You could never understand how much it meant to me. Most of all I miss your smile, your beautiful eyes, your gentle touch, your warm embrace, the feel of you heartbeat, and your sweet kisses.Our love is eternal. I will love you forever. 🍷 🥺

Barbara was my life long friend. I don't have many memories that she isn't in. She always had my back and kept me going through thick and thin. Her and my brother always included my daughter and I as part of their family. she played a big roll in caring for my daughter throughout our lives always treating her like her own. I love you Barbara and will miss you for the rest of my days.

We had so many great memories.. Me teaching you to drive, you teaching me , to have a little patience and humility. I wish you would call one more time just to shoot the breeze, tell our secrets to one another, and just to say what an awesome sister you were and how much I love you... ♥️🌷
