William Anthony "Bill" Vaccaro

MAR 11, 1952 - FEB 1, 2025

William Anthony "Bill" Vaccaro, 72, of Mantua, Ohio, died peacefully on February 1, 2025.

Bill was born to Anthony and Judy (DiPaola) Vaccaro in New Brunswick, New Jersey. He lived there through high school, playing his beloved Hammond B3 in multiple bands with his lifelong buddy, Warren Buttler. Having lost his dad at age 10, Bill and his mom moved to Ohio when Bill was a young adult.

He became a certified hairstylist, following in his father's footsteps, and in his late 20s, he opened Vaccaro's Family Hair Care in Streetsboro. The "shop," as he called it, Portage County's oldest and most established salon and Bill's legacy, lives on with its original name and new owner, Tina Mordue, Bill's dear friend and co-stylist. He did business as he did life, "the old fashioned way... no gimmicks," and treated everyone like family.

Bill was preceded in death by his brother, Jack Vaccaro of Minnesota. He is survived by his sister-in-law, Sheila Vaccaro; nephew, Dean Vaccaro; niece, Shari Vaccaro; and her children, Leo and Sabrina Southwick; and cherished cousins, Rosie Bruno-Beach and John Bruno. Many cousins and countless friends and customers will remember Bill.

Bill chose his final resting place: with Jack at the family tree in Better Place Forests, St. Croix Valley, Minnesota. The Vaccaro family will have a private ceremony.

I'm so very sorry that we lost Bill. He's been a big part of Streetsboro ever since I've been here...1994. I loved going to tan and get my hair done once in awhile. I enjoyed bringing my daughter Brittney up there and all of them held her and hung out some. My little peanut is in heaven now and he can see her again. Rest easy Bill. I will most certainly remember you driving your Jeep to work and mowing the grass. We love you.

Guy or gal, it didn't matter. Bill made you feel welcome and gave you a great haircut. Rare to find someone a man could go to and feel comfortable as well as a lady. He'll be missed.

My deepest condolences to the family. Bill was such a nice and genuine man. He was hiring for a stylist many many years ago.. over 20 yrs and I went to interview with him. He offered me a position and ultimately I passed on it and let him know I was going to take a position somewhere else.. He wrote and mailed me the nicest letter. Saying he understood and if I ever changed my mind, the door was always open and he said he knew I would go far in my career . RIP Bill.
