Dear Pam, Helen, Mary Jo, Darlene, and Lori, Your mom, Veronica, and my mom, Nancy, grew up together in Grindstone, PA. Like many young couples of their generation, they married and migrated to Ohio in search of jobs and a better future. I remember many Sundays spent at your mom and dad's Streetsboro ranch, where the parents sat around the table and talked while we kids ran around and played. In the late nineties, Mom and I were in the area visiting my daughter at Kent State. After lunch, I found my way to your parents' house on Pioneer Trail as a surprise to her. Our moms were overjoyed to see each other, and although the visit was brief, it was filled with laughter and cherished memories. It was the last time they saw one another. May your memories of your mom sustain you and help you through this difficult time. With sympathy and much love, Debbie (Koopman) Morris
