George Mendiola II

SEP 21, 1962 - SEP 19, 2025

George Mendiola II, age 62, passed away on Friday, September 19, 2025, from a thunderclap aneurysm. A devoted husband, loving father, cherished grandfather, and loyal friend, George lived life with warmth, humor, and a deep love for his family. He shared 25 beautiful years with the love of his life, Laurie. Together, they created a bond full of laughter, adventure, and joy especially in their retirement years, traveling and enjoying the simple pleasures of life side by side.

George was a proud and loving father to Nicole (Anthony) Hedberg, Taylor Mendiola, T.J., Leah, and Ashley Ebright. He was also the beloved son of Karen Mendiola (nee Neff) and the late George Mendiola, and a devoted brother to Beth Mendiola and Debbie Mann. He found immense joy in being "Pap" to his grandchildren Mya, Hailey, Madison, Payton, and Ivy, each of whom held a special place in his heart. His love for them was boundless, and he cherished every moment spent with them. Known for his passion for deer hunting and his signature storytelling style, George had a gift for making people laugh with his stories and jokes; especially "Tim Buck Two", if ya know ya know. Whether it was with a cold Natty beer in hand or around a campfire sharing tales, he made those around him feel welcome and appreciated.

A celebration of George's life will be held on Friday, October 17th from 4–9 PM at Corners Catering, 11845 Rt. 44, Mantua, OH. Friends and loved ones are invited to come together, share memories, and honor the life of a man who meant so much to so many.

George will be deeply missed but never forgotten. His legacy of love, laughter, and family will live on in the hearts of all who knew him.

I am a second cousin of George and I just heard of his death after several months and I very upset to hear of his passing. I work out of the area and I did not see the obituary in the local Ravenna listings. Georgie was always a friendly person when you saw him. He was always unassuming and eager to catch up on family business. George enjoyed life, friends, and family and he will be greatly missed by everyone. Many years ago, Georgie owned a very nice 1971 Oldsmobile 442 that was one of the fastest cars in the area, and Georgie drove it that way! Please accept my late condolences to his passing. Best Regards, Curtis Rude (Ravenna, Ohio)

George made Euchre night a fun experience. His wonderful sense of humor added to the evening's entertainment. When George & Laurie hosted the card party, George cooked & shared a delicious supper. George will be missed but fun times live on in our memories. Julie Walz

My Deepest Condolences to the Mendiola Family. George & I grew on in Baronwood Estates (Sabin Dr.) Despite George being 10 years older than me, I had a crush on him as a child. He lived much further down the street & every time he'd drive by if I was outside, he'd smile & wave at me with an occasional wink (I think he knew about my crush) & in return if I was out riding my bike & pass by his house, I'd also smile & wave at him if he was outside. George was a Great, Sweet Guy & will be missed...RIP George...xoXoxoJeanie Sorkin

George was definitely the funniest person I ever knew. I know he loved Laurie (aka Louie) and was very proud of his family. No one could tell a story better than George. I am going to miss his friendly smile and genuine wave as I drive past his house and see him relaxing on his beautiful porch. George will definitely be missed but never forgotten.

We met George after my uncle Larry passed away, when we met up with the guys at the cabin in May for their annual trip. We loved getting to hear George's stories of Larry, the cabin, and all the shenanigans that went on. I am sad we only got to know him for a short time, but forever grateful for the memories we got to make with him! He will certainly be missed and most definitely never forgotten.-Robert and Sarah North, and Erin Echnat.

On an August weekend while entertaining 13 guests for a class reunion, our pool toy unknowingly blew away from our yard into George's. The next afternoon we heard a four-wheeler approaching to see this and we all bust out laughing. George told us that he and Laurie sit outside every morning drinking coffee watching for deer, bunnies, coyotes, etc. and they were surprised to see a "freaking llama". The memory of his return of the toy has brought my friends and I to tears each time we think of it and the toy has forever since been named "George". So lucky to have known and lived so close to one of the funniest, kindest and most genuine people ever.
