Ron Falzini

MAR 5, 1959 - MAR 8, 2026

Ron Falzini, age 67, passed away on March 8, 2026.

Ron was the loving husband of Lisa Falzini and a proud father to Ronnie (Adrianna) and Danny. He was a devoted grandfather to Gianna and Luca. Ron was the son of Gloria Falzini and the late Ronald Anthony Falzini Sr., and the brother of Kenny Falzini.

Ron worked as a welder and fabricator and took pride in being able to build and fix just about anything. He had a lifelong love for race cars and anything powered by a combustion motor. If it had an engine, he was interested in it. One of his favorite accomplishments was building a race car from the ground up with his brother Kenny, something they both took a lot of pride in.

Ron will be remembered for his hard work, his love of family, and the passion he had for the things he built and worked on.

All Services Thursday March 12th. A gathering of friends and family will be held at His Ministry church 3051 OH-82, Aurora, OH 44202 from 5-7pm with a service of remembrance to follow at 7pm. Arrangements by Green Funeral Care, Mantua.

Carter Pracker posted:

My condolences to all of his friends and family, I was upset to just hear of his passing. Ron was a great guy! tough if you didn't know him, passionate if you did. I grew up with him being a friend/coworker of my dad's. When I was just 15 he taught me how to weld and fabricate. As sad as it is I'm glad I got to talk to him at octane nights, he looked so happy to be around what he loved most cars and to display his sick cutlass. I can only hope he was comfortable as can be and that he can rest peacefully.
